MESSAGE

I am glad to know that the International Benevolent Research Foundation, Kolkata, is launching the new research centric six-months Certificate Course on Research Methodology and System Analysis envisaged by the Foundation on 5 October 2016.

I note that the focus of the above Course will be for Master's Degree holders for different disciplines in acquiring expert knowledge for conducting research with a view to get registered for the M.Phil./Ph.D. and other research based programmes besides getting priority and preference while getting appointed for different academic and R&D positions.

I wish all success to this new Course envisaged by the IBRF.
