MESSAGE

Greetings from Uttar Banga Krishi Viswavidyalaya.

I derive immense pleasure to know about the initiative taken by the International Benevolent Research Foundation (IBRF), Kolkata, regarding launch of a six-month Certificate Course on “Research Methodology and System Analysis” on 5th October 2016 (World Teachers’ Day) at the Science City Auditorium, Kolkata, West Bengal. No doubt the course is going to prove very beneficial for Master’s Degree Holders.

Such courses are actually a dire need of the students of our country that do not only aim to help them by providing proper guidance but is also beneficial to the entire Nation.

Hopefully, the course is going to be a boon for the present generation.

I convey my best wishes to the International Benevolent Research Foundation (IBRF) and the participating students. May the course achieve tremendous success and guide our students towards a better and brighter tomorrow.

With best regards,

Sincerely yours,

U
