Message

I am happy to know that the IBRF, Kolkata is starting a 6 months Certificate Course on “**Research Methodology and System Analysis**” for Ph.D Scholars. This is a mandatory requirement for all Ph.D Scholars, and therefore Ph.D students will be greatly benefitted with the Course. It is indeed a welcome step initiated by the IBRF.

I convey my best wishes to IBRF and Ph.D Scholars.

(Prof. P. K. Garg)
