On the Occasion of the launching of the new research centric six months Certificate Course on “*Research Methodology and System Analysis*” being organized by International Benevolent Research Foundation on 5<sup>th</sup> October, 2016 (World Teachers Day) at Science City Auditorium, Kolkata, I have immense pleasure in extending my good wishes and felicitations to the Faculties, Officials and Staff of the International Benevolent Research Foundation (IBRF). May this endeavour of the IBRF serve as a milestone in India’s march towards academic excellence and self-reliance by producing good human resources including excellent researchers and brilliant teachers.
